
Home Care Planning Guide

- ➔ Do you worry that your surviving parent / loved one may fall at home without anyone to help?
- ➔ Are you concerned that your surviving parent / loved one may not be taking his/her medication at the right time and dose?
- ➔ Do you feel that your surviving parent/loved one should probably avoid driving a car alone in the foreseeable future?
- ➔ Do you feel that your surviving parent / loved one may have vision or hearing loss issues that may limit their ability to care for themselves?
- ➔ Do you feel that your surviving parent / loved one may have memory loss or cognitive impairment that may limit their ability to care for themselves?
- ➔ Do you and your family and friends have the desire, capability and time in your schedule to help your surviving parent / loved one bathe, go to the bathroom, shop for themselves, schedule and go to doctors' appointments, prepare meals and eat?
- ➔ Are you concerned that your surviving parent / loved one may be lonely in the foreseeable future?
- ➔ Would your surviving parent / loved one prefer to remain in their home?
- ➔ Would you feel more comfortable if you could rely on an experienced care manager and caregiver team to help you to care for your surviving parent / loved one in their own home?
- ➔ Would you like to have an experienced care manager visit with you and your family to create shared vision and care plan for your surviving parent / loved one?
